COSO

Introduction

Crusoe

CRUSOE is a free online help tool for research data warehouses. It helps to prepare a CoreTrustSeal certification or simply use the CoreTrustSeal criteria to learn more about your warehouses and improve your practices.

This tool was funded and developed under the aegis of the Open Science Committee (CoSO) of the French Ministry in charge of research.

It can be used at <https://coso-preprod.sedoo.fr> or be downloaded from the links <https://github.com/sedoo/certifymyrepo-back> and <https://github.com/sedoo/certifymyrepo> to be installed with the hosting of your choice. It is under GPL license.

Numeric data strategy :

- **Need to prove the quality of data management**
- **Need for a simple online dashboard tool**
- **Freely offer this tool to help other research entities**

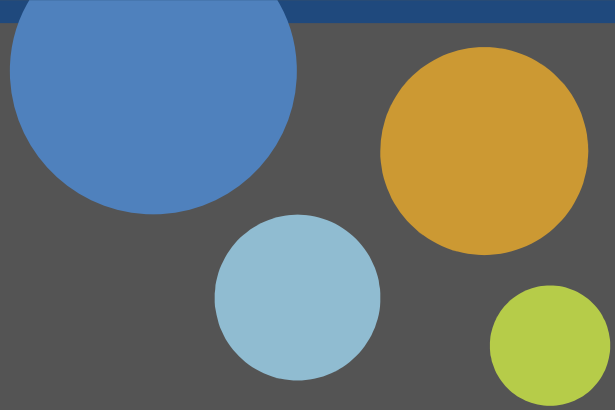

Developement:

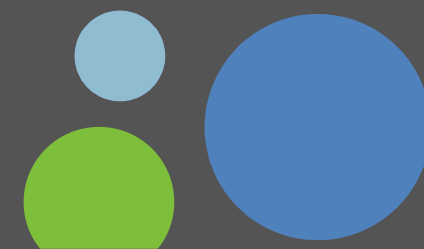

- **Start:** September 2019
- **First presentation :** December 2019
- **back-end source code:** <https://github.com/sedoo/certifymyrepo-back>
- **front-end source code:** <https://github.com/sedoo/certifymyrepo>

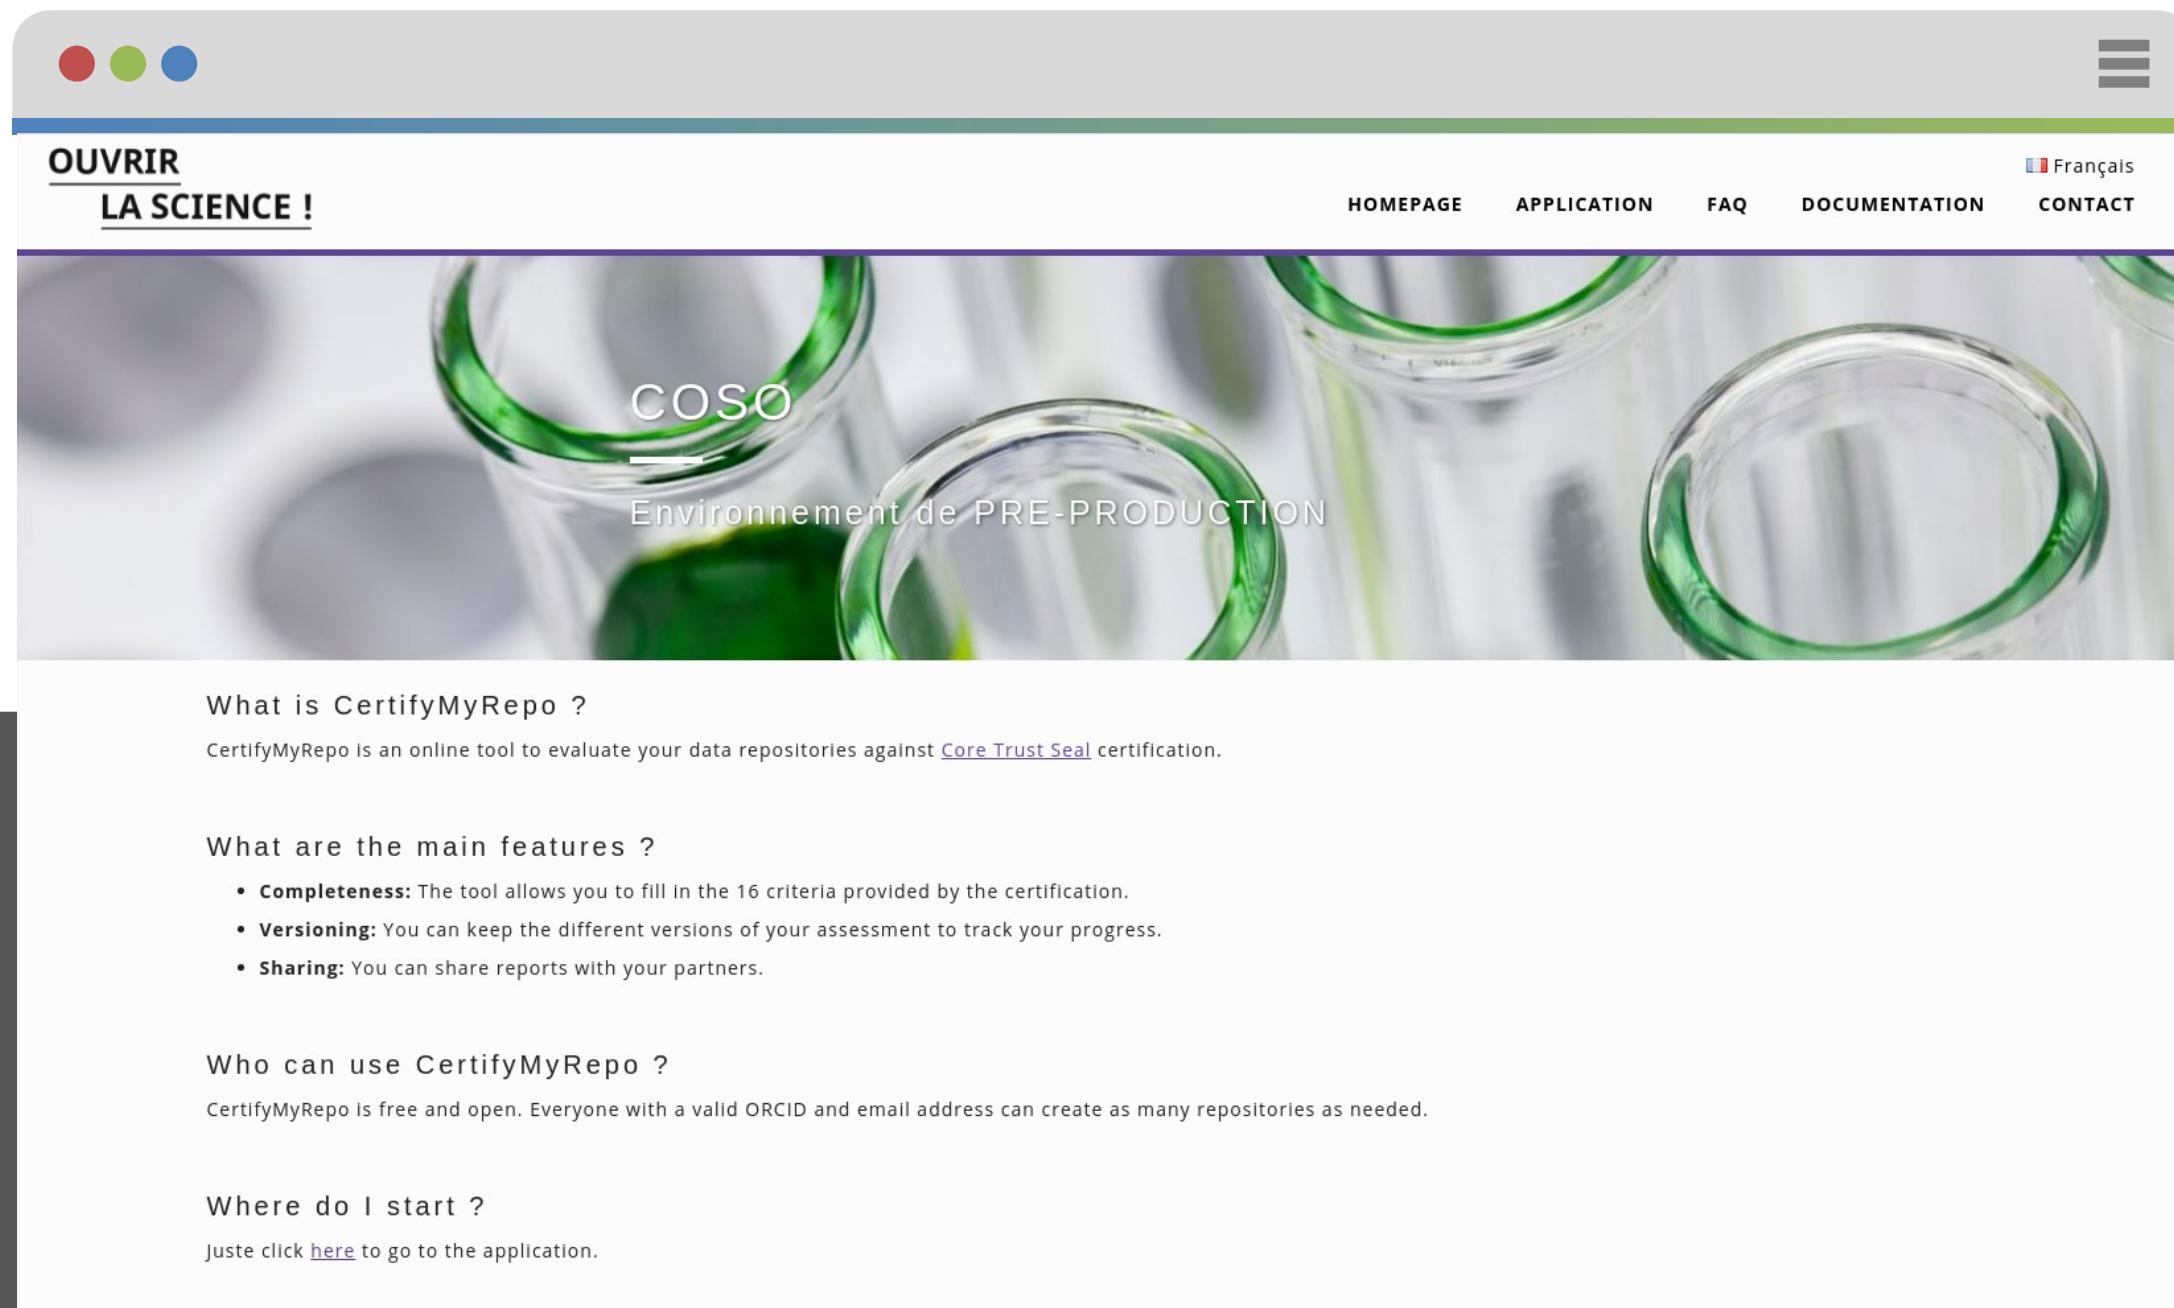

Features :

- **Completeness:** The tool allows you to fill in the 16 criteria provided by the certification.
- **Versions:** You can keep the different versions of your assessment to track your progress.
- **Sharing:** You can share reports with your partners.

User management

The screenshot shows a web form titled "Add an user". At the top, there is a search bar containing the text "jos" with a magnifying glass icon on the right. Below the search bar is a table with two columns: "Name ↑" and "Email". The table contains one row with a checkbox on the left, the name "Josiah Carberry", and the email "test@cnrs.fr". Below the table, there is a pagination control showing "Rows per page: 5" with a dropdown arrow, and "1-1 of 1" with left and right navigation arrows. To the right of the table is a blue button labeled "CREATE AN USER". Below the table is a dropdown menu labeled "Select a role *" with a downward arrow and an information icon (i) to its right. At the bottom right of the form are two buttons: "CANCEL" and "CONFIRM".
